JUROR SELECTION

The juror for the 15th Annual Juried Show is Beatriz Rodriguez. Beatriz is currently the printmaking professor at Wayne State College.

Beatriz Rodriguez is a printmaker and sculptor, whose work presents enigmatic dark narratives. Rodriguez was born in Cuba and at the age of twelve moved to Miami, Florida where she continues to live and work. She received her BFA degree in Printmaking from Florida International University, graduating with honors and shortly after went on to receive her MFA from the University of Miami. While attending the University of Miami, Rodriguez received the Art Printmaking Award for two consecutive years. Her artwork has been widely exhibited at South Florida art fairs, her most recent exhibition being in FatVillage where she had a solo show in the FAR Gallery. Her work has been published in Saw Palm: Florida Literature and Art as well as in Voyage Magazine Miami.

We are excited to welcome her and the Wayne State College Art Department to our gallery for the Faculty Show that will be paired with the juried show.
